### **DECENTRALIZED MARKETING**

We strive to help build communities for TRC-20 & ERC-20 tokens (Decentralized Applications) & other crypto related projects using social media. Halal Coin HC TRC-20 platform consists of social media outlets such as: Telegram, Discord, Twitter, Facebook, Instagram, Tik Tok, Twitch, and most importantly our monetized YouTube channel. Halal Coin HC TRC-20 provides marketing services to crypto related businesses to help promote their products, while also building a community for their platforms. TRX pools are becoming one of the most powerful tools for blockchain development and use case. We help bring these projects to the masses using a specialized marketing strategy that will help build a community for

their platforms. We believe honesty & integrity is always the best policy. Our services are fully transparent, and we will be glad to share our analytics with our partners at any time.

What makes our marketing services different from the rest is our unique ecosystem using our own TRC-20 HALAL COIN HC tokens to reward our community members & content creators. Anyone with a TRC-20 wallet address can become a contributor and can receive Halal Coin HC TRC-20 tokens for participating in our marketing services. This ecosystem is what makes our services unique and how our platform is decentralized by its “Tokenomic” ecosystem.

## **HALAL COIN (HC) TOKEN**

Halal Coin HC is a TRC-20 token built on the TRX Blockchain. Users will be rewarded Halal Coin HC TRC-20 tokens by completing tasks and/or participating in Halal Coin HC TRC-20 marketing services. The rewarding system will be based on the contribution efforts of the user and the current market value. Users will be able to trade Halal Coin HC TRC-20 on a cryptocurrency exchange or hold Halal Coin HC TRC-20 in their personal TRC-20 wallet. Halal Coin HC TRC-20 held in a personal TRX wallet address can receive airdrops of Halal Coin HC TRC-20 if the tokens are eligible. Revenues from Halal Coin HC TRC-20 marketing services will be converted into TRX and will be held in a secure address designated for the Airdrop supply. The Airdrops will occur at the end of each monthly cycle, rewarding those who are holding the Halal Coin HC TRC-20 tokens.

## **SMART CONTRACT FUNCTIONALITY HALAL COIN**

HALAL COIN (HC) started as a TRC-20 token and has now been swapped to a TRX token with smart contract functionality. The purpose of the smart contract is to complete our annual airdrops to all HALAL COIN HC TRC-20 Token holders that are eligible. As of right now there is no need for staking, all addresses eligible for airdrops will receive the airdrops if they are holding the HALAL COIN HC TRC-20 Token in a personal TRX wallet address.

AIRDROPS Rewards will be distributed to all the token holders eligible to incentivize users to hold the HALAL COIN HC TRC-20 Token.

The airdrops serve as a generous gift to our loyal supporters. Any revenue generated from the growth of the community, sponsorships, & referral commissions will be held in the Airdrop Pool and will be distributed based on the amount of HALAL COIN HC TRC-20 Token being held in the TRX wallet address at the time of snapshot. The snapshot will occur at the end of every calendar month and the Airdrop will occur no later than the 7th day of each month. The timing of snapshot and airdrops will occur at random times during each scheduled period to avoid anyone from taking advantage of the reward system. HALAL COIN HC TRC-20 Token community is committed to the platform's long-term growth and success. All the core team members have committed to developing for the platform throughout the foreseeable future and have performance-base incentives tied into their agreements. Any community member can participate the airdrop rewards if they meet all the criteria outlined in this document.
